

**STUDENT SUBSIDY PROGRAM
FOR ONTARIO HERITAGE CONFERENCE ATTENDANCE
BY COMMUNITY HERITAGE ONTARIO/PATRIMOINE COMMUNAUTAIRE DE L'ONTARIO**

In an effort to encourage students to develop an interest in heritage, CHO/PCO wishes to set up a program to subsidize students who wish to attend the annual Ontario Heritage Conference. The details of the subsidy are as follows:

Eligibility: A student must have been in an Ontario university or college program within the last year, preferably in a program that is in some way related to the heritage field.

Discretion: Awarding subsidies is entirely at the discretion of the CHO/PCO Board or a subcommittee of the CHO/PCO Board, including the quantum of the subsidy for each student. Consideration will be given to students from the general area where the conference is being held.

Available Funds: For each annual conference, the CHO/PCO Board will decide how much is available for subsidies.

Use of the Funds: The subsidy will be for conference registration, travel expenses and accommodation during the conference. If a student is successful in being awarded the subsidy, the registration subsidy will be paid directly by CHO/PCO into the conference bank account. For travel and accommodation expenses, the student must provide original receipts in order to receive reimbursement.

CHO/PCO Membership: Subsidized students will also receive a one year membership in CHO/PCO free of charge.

Post Conference Report: Each of the subsidized students must write a 1000-1500 word report to the CHO/PCO Board after the conference setting out what was of value about the conference. The student reports may be published in *CHOnews* or online at the CHO/PCO website.

Application: Deadline for application is Monday, April 29, 2019. Send your completed application to ginetteguy@communityheritageontario.ca. Application must include the following:

- Full Name:
- Address:
- Phone Number:
- Email Address:
- Languages Written and Spoken:
- Relevant College or University Program:
- Reason for attending the heritage conference:
